DISTRIBUTION B2B/B2C LOGISTICS

If your business requires 3PL services including storage, stock management and distribution along with high service levels and personal care then First Distribution is the Logistics company for you.

First Distribution has been owned and operated by Donal O'Sullivan and Joseph O'Sullivan since 1994. The warehouse for this NZ owned and operated distribution/logistics business is conveniently located on the North Shore of Auckland.

DISTRIBUTION & LOGISTICS SERVICES

First Distribution provides an extensive range of services to tourism and pharmaceutical industries and any business that requires efficient delivery services both B2B or B2C.

Our unique point of difference is our very personalised approach with highly trained warehouse and sales personnel and a key focus on client relationships. We offer a reliable logistics distribution service on behalf of a wide variety of clients from small local companies through to large multinationals. Our well-established distribution channels ensure your products and marketing collateral get into the hands of your clients quickly, easily and cost effectively.

Our experience, reputation and fulfilment service are second to none and we handle bulk and single item distribution as well as dedicated and consolidated mailings to client databases.

For the best way (or if you're unsure how) to get your product to consumers or businesses, let's discuss your unique business requirements and together we can work to ensure the right outcome.
